

NEW MEMBER INFORMATION

We are so glad that you have decided to join our women's golf group! We are a diverse group of women of varying golf abilities, who enjoy spending time together.

Your first step in joining our group was to speak with our Vice President. By now you should have:

- Some basic information about our club.
- Turned in the membership application along with club dues and SNGA dues.
- Received a link to start receiving our weekly tournament information.
- Gotten our website and password for the roster.
- Notified our Vice President if you do not have a handicap. We will get you set up with a GHIN number. You will need to play a total of 54 holes in order to get a handicap. It could be a combination of 9 holes and 18 holes to add up to 54 holes.
- Let our Vice President know what tees you will be playing.

If any of these steps are missing, please call our Vice President. She will answer any questions that you may have, as well as guide you on the process of becoming a member.

YOU ARE NOW A MEMBER-WHAT HAPPENS NEXT?

You will be assigned a buddy. She will guide you as you learn our procedures. She will introduce you to our members. Please do not hesitate to ask your buddy any questions that you may have, that's what she is there for. We want you to feel comfortable and to have a wonderful experience with our golf group.

Our Vice President will set up a new member luncheon with you, your buddy, and a few of our members.

Our website: www.suncitywomensgolf.com has a wealth of information. Please take time to explore each of the tabs across the top, as well as the Information Box on the left-hand side. The password to get into our roster is: **roster4golf**. Looking at the roster will help you put names with faces. If you have not given our Website Chairman your picture yet, please do so.

The Information Box on the left-hand side of the website is **VERY IMPORTANT**.

- The General Information link will give you detailed information on signing up for our weekly tournaments. It contains specific timelines of when emails come out, sign up/cancellation deadlines, check-in procedures, and more. Make sure that you are familiar with this.
- Tournament Descriptions, Ringer, Hole-in-One, and Year long races links will let you know dates and costs.

Our Women's Golf Club Directory comes out in January. Tournament descriptions, yearly calendar with game date and course, meeting dates, as well as member contact information are included for quick reference.

We look forward to getting to know you and playing some great golf together!
